

# SAVE OUR LEGACY

Save Our Legacy believes in the power of sharing the stories of Overcomers.

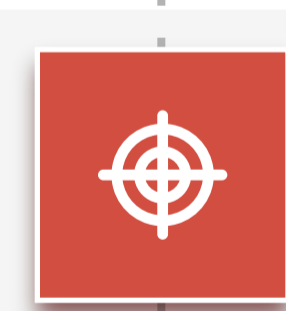

To accomplish this goal, we have launched the Save Our Legacy Marketplace where each month we feature a creative and inspirational t-shirt or product for sale.

From each t-shirt sale, we are committed to setting aside one-third (**or over 30%!**) of the proceeds into a special account for the production of Overcomer stories.

Our goal is to produce 1 – 2 selected stories free of charge for Overcomers each year.

This is our way of making sure that the stories of real-life champions are saved for the future... and leaves a legacy for all of us!
